**His Personal Experience.**  
Hon. James W. Husted, while serving his sixth term as speaker of the assembly of the state of New York, writes: "STATE OF NEW YORK, ASSEMBLY CHAMBER, ALBANY, Jan. 16, 1890."

I desire once more to bear my testimony to the value of Allcock's Porous Plasters. I have used them for twenty-five years, past, and can conscientiously commend them as the best external remedy that I have known.

Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. On another occasion, when suffering from a severe cough, which threatened pulmonary difficulty, which I was recommended to go to Florida to relieve, I determined to test the plasters again. I applied them to my chest and between the shoulders, and in less than forty-eight hours I was entirely cured. On still another occasion, when suffering from an attack of rheumatism to such an extent that I could scarcely raise my arm, I again resorted to the plasters, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a sovereign remedy, both for external and internal troubles. I never had but one kidney difficulty in my life, and the application of the plasters cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing it than by giving you my personal experience.

## From Childhood's Years

Women Who Suffer Bravely in Silence.

Young Mrs. Loomis Could Scarcely Drag Herself Around.

How the Average of Health Among Woman Can Best be Raised.

In every city and village are found women who, while not invalids, are, in reality, never well. They have suffered from childhood with troubles that, if only treated properly when they were young, could have been cured so that they would never bother them again.

They are now scarcely able to drag themselves around, have sleepless nights, aching heads, weakened nerves, and a constant feeling of weakness and pain.

There are multitudes of young girls today who are, perhaps, pretty to look at, but whose destiny seems to be to show and the soft, neurasthenic weak backs, and the varied forms of hysteria—that domestic demon which has produced so much unhappiness. It is fortunate for the health and well being of women that the discovery has been made that cures ill health, even of years' standing. Mrs. Zera E. Loomis of Palestine, Ill., has had a typical experience, which she describes in the following letter. It is a history which will be of inestimable value to every woman who profits by its suggestions. Mrs. Loomis writes:

"From childhood I suffered with liver complaint, and the best physicians did me no good, while the many advertised remedies for nervousness and liver complaint failed utterly to benefit me. I cannot describe my sufferings. My present good health and strength are wholly the result of using Paine's celery compound. I recommend it most heartily to the many suffering ones whose lives are made miserable by nervousness or liver complaint."

This compound is not an ordinary cathartic, or a purgative. It is a pure preparation that is made from the formula discovered by Prof. Phelps, of Danbury, Conn., who is a nervous, sleepless, irritable, dyspeptic, rheumatic, or who are troubled with impure blood, will find new life, new strength and new health in this remedy. No other medicine is so popular with women as this pure compound. Its large sale comes mainly from the fact that those who use it recommend it to their friends. No ordinary medicine could achieve a sale in this way. This fact alone speaks volumes for its wonderful merits.

**Every Evening** Wurzburg's band will play at Hartman's summer garden every evening at 8 o'clock.

Dr. Wood's Norway pine Syrup was used for years as a prescription by a successful physician. It is in all respects the best cough medicine made today. Sold by all dealers on a guarantee of satisfaction.

My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all, eight bottles. It has cured me, and thank God I am now a well and hearty woman." Bottles 10 cents at Peck Bros' drugstore; regular size, 50c and \$1.00.
